SIXTH SUNDAY OF EASTER

Dear Brothers and Sisters in the Lord,

Many thanks for your generous contributions so far to the 2013 Annual Catholic Appeal. Last week I spoke at Mass about how the appeal assists my “other” ministry at the Vicar for Clergy Office. One area that is very important, and one that is new this year, is the work we are doing in assisting people, mainly young people and children, who have special needs. A new Special Needs Committee was established at the Archdiocese to help folks with special needs (from people with learning disabilities, to vision and hearing impairment, to autism and many other challenges) to have better integration in their parishes. We began this new ministry last month with a Mass celebrated by Archbishop Sartain. The committee also has a new website that is full of information and resources. You can link to it on www.seattlearch.org. This too is an area where your support of the Annual Catholic Appeal very concretely helps people....even our own parishioners....to have the ability to offer praise and worship to God at Mass and to participate fully in parish life. For some, something that simple can be a daunting challenge. My prayer is that this new ministry will be a help to overcome whatever challenge may exist so people can approach and encounter the Lord Jesus at our parishes. Your support of the Annual Catholic Appeal is helping to make this one particular ministry a reality today! Thank you!

I also want to offer a word of thanks to the many people who took part in our school auction events this past week...from the Family Auction to the Gala dinner. It was an amazing time and a good time was had by all! So many people took part in so many different ways. Thank you very much for all you do to support the ministry of our parish school! The auction was very successful and it was all because of YOU!

In Christ the Lord,

Fr. David Mulholland

PERPETUAL ADORATION

WE HAVE TWO OPEN HOURS in the adoration chapel: Sunday 2-3AM and Thursday midnight-1AM. In a recent homily, Pope Francis spoke about the gift of the Holy Spirit in the Church. He said: "The Holy Spirit upsets us because it moves us, it makes us walk, it pushes the Church forward." We wish to "calm down the Holy Spirit," he continued, "we want to tame it and this is wrong... because the Holy Spirit is the strength of God, it's what gives us the strength to go forward." This movement of the Holy Spirit is true not only for the Church as a whole, but for each of us in our individual journeys toward God. We are called out of ourselves, beyond what is comfortable, safe, and familiar, to truly live the Gospel of Christ in our daily lives. Often, this path is not an easy one; it requires courage and perseverance and trust. Yet, through our willingness to be led, we allow the Holy Spirit to truly transform our lives according to His Will. What better place to prepare our hearts to receive this grace than before the Blessed Sacrament. As we journey toward Pentecost, please consider spending some extra time with Our Lord in the adoration chapel. Come Holy Spirit, fill the hearts of your faithful, and enkindle in us the fire of your love!

LIFE PRINCIPALS ACADEMY, PRO-LIFE TRAINING CONFERENCE

Want to increase your knowledge of life and how to defend it? Attend the Life Principles Academy conference on Saturday, May 11 from noon to 4:30 pm at St. Pius X Catholic Church in Mountlake Terrace (22301 58th Ave W.). Presenter Camille Pauley, President of Healing the Culture, will share how this unique, comprehensive pro-life curriculum takes the ten greatest principles of ethics, logic, and justice, and reveals how violations of these principles led to the greatest atrocities known to man - including Roe v. Wade, which permitted abortion on demand. Cost is \$25 and includes a light lunch. To register call 425-481-6563 or visit healingtheculture.com

GOT LIFE? RESPECT LIFE COMMITTEE MONTHLY MEETING

If you haven't found a ministry to be involved in at St. Mark, think about joining our Respect Life efforts at St. Mark Parish. Come to a meeting and see if this isn't something that God is calling you to be involved in at our parish! Our next meeting is Tuesday, May 21, 7 pm in Sullivan Hall.

Abortion is not as safe as the pro-abortion forces would like for you to believe. There are well documented studies which indicate that abortion can cause infection, hemorrhage, cervical tears, perforation of the uterus and other organs, sterility, breast cancer and death; This is just the mother's risk. Death always occurs to the baby!

VATICAN II: AN HISTORICAL OVERVIEW

As the Year of Faith marks both the 50th Anniversary of the Second Vatican Council and the 20th Anniversary of the Catechism of the Catholic Church, we'll seek the origins of the Catechism in the Council and explore this work of the Church once described by Blessed John Paul II as a "harmony of so many voices [that] truly expresses what could be called the 'symphony' of the faith." We'll "listen" to a theme from each of the four major parts of the Catechism to discern this symphony of our own time as a fruit of Vatican II and an important contribution to renewing the whole life of the Church.

Join Fr. Christopher Fadok, OP for The 20th Anniversary of the Catechism: A Project of Vatican II. May 16 at 7:00 PM in the Parish Hall, Blessed Sacrament Church, Seattle. For more information, or please contact Nina Butorac at 206-732-7351.

We have our first donors for the Catholic Appeal. Thank you to the following "early birds" for sending in their pledges. Our goal is \$145,000 and we are \$8,100 closer thanks to these parishioners. Please get your pledges in and join this group. Thank you very much to all who have sent in cards. (This list does not include donations made directly to the Archdiocese nor online giving.)

The Passion of Christ-The Holy Shroud of Turin was called the greatest relic in Christendom by Pope John Paul II. In fact, the Shroud is the most studied scientific object in the entire world. Fr. Francis Peffley presents new and detailed scientific and medical evidence for the authenticity of the Holy Shroud. This presentation brings greater clarity as to the depth of the agony of our Lord's sorrowful Passion, which he voluntarily took on for love of us.
