Pastor's Letter:

Pray the Rosary.....

A Message from Saint John Paul II (from 2002, but as relevant today as ever):

Dear Brothers and Sisters,

1. We are already on the threshold of the month of October, which, with the liturgical memorial of Our Lady of the Rosary, inspires us to rediscover this traditional prayer, so simple yet so profound. The Rosary is a way of contemplating the face of Christ seeing him - we may say - with the eyes of Mary. For this reason, it is a prayer that drawing upon the core of the Gospel is in full accord with the inspiration of the Second Vatican Council and very much in keeping with the direction I gave in the Apostolic Letter *Novo Millennio Ineunte*: the Church has to launch out "into the deep" in the new millennium beginning with the contemplation of the face of Christ. Therefore, I wish to suggest the recitation of the Rosary to individuals, families and Christian communities.

2. I wish once again to entrust the great cause of peace to the praying of the Rosary. We are facing an international situation that is full of tensions, at times threatening to explode. In some parts of the world, where the confrontation is harsher - I think particularly of the suffering land of Christ - we can realize that, even though they are necessary, political efforts are worth little if one remains exacerbated in his mind and no one cares to demonstrate a new disposition of heart in the hope of reviving the struggle and effort of dialogue. Who but God alone can infuse such sentiments? It is more necessary than ever that from every part of the earth prayer for peace be made to Him. In this perspective, the Rosary turns out to be the form of prayer most needed. It builds peace because, while it appeals to the grace of God, it sows in the one praying it the seed of good from which we can expect the fruit of justice and solidarity for personal and community life.

I am thinking of nations and also of families. How much peace would flow into family relationships if the family would begin again to pray the Rosary.

John Paul II

HELP NEEDED: SICK & HOMEBOUND MINISTERS

As of late, there have been an overwhelming number of new requests from people in our local community who are either sick or homebound and need Holy Communion brought to them weekly. Unfortunately, we don't have enough volunteers to cover them all right now and our current ministers are spread thin. Your efforts in participating in this ministry would literally bring Christ to those who seek him and are unable to come to Mass. If you are interested in participating in this most valuable ministry, please contact Veronica Olson in the Parish Office 206-364-7900 or veronicao@saintmarkshoreline.org. The time commitment is ½ hour – 1 hour once a week based around your schedule and full training and supplies are included. Safe Environment certification is required prior to beginning ministry if you haven't been certified yet. Please pray about this need and consider the huge difference you could make in one or more person's life by bringing Christ in the Eucharist to them. Thank you!

ATTENTION LITURGICAL MINISTERS!

You are invited to a mini-retreat for all Liturgical Ministers on **Saturday, October 25th, 2014**. Come to Mass at 9am and then head to Sullivan Hall to meet with Father Mulholland, Veronica Olson and the rest of your fellow ministers.

This includes volunteers involved in:

- Altar Linens
- Environment Committee (Flowers)
- Extraordinary Ministers of Holy Communion
- Readers
- Music Apostolate
- Sacristans
- Ushers/Greeters

We appreciate everyone who ministers towards creating beautiful liturgies at St. Mark, and we look forward to gathering for community building, renewal, prayer, discussion and planning the 2014-2015 year!

*RSVP to Veronica Olson by Oct. 22nd

October is Respect Life Month - How will you participate?

Pray and fast daily for an end to abortion

"If I had an army to say the Rosary," Pope Pius IX once said, "I could conquer the world." And he said this because the Rosary, next to the Mass, is the most powerful weapon in the Church's arsenal. We have access to that weapon and we need to start using it every day. Please commit to saying the Rosary daily and include a prayer to end abortion in your petitions. Add some form of fasting and see how God's moves in your life!

Share information about Project Rachel

If you or someone you know has had an abortion, contact Project Rachel. Attending a Rachel's Vineyard™ Retreat is an opportunity for God's healing. You will find peace! Men are welcome too. Men also regret their abortions and long for God's healing. For more information contact Valerie: 1-800-822-HOPE (4673). Remember that you are loved with an everlasting Love! Project Rachel is a program of Catholic Community Services.

Help the Gabriel Project

This group's purpose is ministering to women facing crisis pregnancies. The battle rages between virtue and vice, grace and self-will, between good and evil. We are to live UP to the standards of God, not DOWN to the standards of this world. Join the pro-life movement today and help end abortion and euthanasia.

The war on the pre-born is the only war in which America is involved where the casualties are 100%; the baby always dies. The moms, dads, and close family members suffer physical, mental, and spiritual wounds. Pray to end this holocaust.

RESPECT LIFE DINNER - THANKS!

Thank you to everyone who attended our 4th annual Salmon Dinner last Saturday to support respect life activities in our parish. Our guest speaker, David Graves, challenged us to be a witness of Christ's love to all by standing up for our unborn brothers and sisters at risk of being aborted. We know praying outside abortion clinics can make an impact. Here's the result of one man's prayerful presence: When a former abortionist and post-abortive woman, Carol Everett, was asked what turned her heart from death to life in Christ, she replied, "It was unconditional love" shown by a man who prayed daily for her in front of the facility where she worked. Imagine how God could use you? As David said, "We show up and God shows off!" He can't work through us if we don't take action!

In 1999 St. John Paul II declared Our Lady of Guadalupe as the Protectress of Unborn Children

Remember, O most gracious Virgin of Guadalupe, that in your apparitions on Mount Tepeyac you promised to show pity and compassion to all who, loving and trusting you, seek your help and protection. Accordingly, listen now to our supplications and grant us consolation and relief. We are full of hope that, relying on your help, nothing can trouble or affect us. As you have remained with us through your admirable image, so now obtain for us the graces we need.

Amen.
