Catholic women are welcome to come to our Sunday, October 2nd meeting at 1:00pm in the Library (portable building behind the School). Look for the blue ribbons on the door handle.

Bring your Rosary, and help us plan our calendar while we build friendships and promote Catholic causes.

Ministry Sunday

Ministry Sunday expands the involvement of the students at Sunday Mass.

During the year students from each class will be given the opportunity to greet parishioners as they come to Mass, serve as lectors, bring up the offertory gifts, and hand out bulletins at the end of Mass. Look for the different classes throughout the year at the 10:30 am Mass on Sunday.

The eighth graders are reading at the 10:30 am Mass today. They are dressed in their uniforms and will be greeting parishioners.

PARISH EVENTS & NEWS

Young Adult Dinner & Game Night

Join us **next Saturday, October 1st, in Sullivan Hall at 6:15pm** as the young adults of St. Mark come together to share a meal, play video games, and discuss the future of young adult ministry in the parish. What events would you like to see take place? How do you think we can better connect as a community? We'll be eating potluck style, drinks and tableware provided, so bring dinner and dessert to share, along with your ideas!

This is a great chance to meet new people and have some fun together, so don't miss out!

September 27 is the feast day of St. Vincent de Paul and your local St. Vincent de Paul conference wants to celebrate that special day by thanking our St. Mark family for your generosity. Through your donations of cash and food we have accomplished a great deal in the last year:

- Assisted 135 families with rent totaling over \$34,000.
- Helped 78 families with their utility bills
- Provided food to 90 families.
- And much more!

We help families and individuals coming from many situations of need and hardship. Some examples include:

- A woman leaving a domestic violence situation with only a suitcase of clothes. We were able to assist her getting set up in a home for victims with household and personal items as well as a bed.
- 4 men recently paroled from prison that we helped get set up in a half-way house with rent assistance, household goods and food.
- The grandmother who has 4-5 grandchildren living with her at any given time that we have helped with rent, utilities, food, and beds.

This is only possible through the donations of parishioners at St. Mark. We thank you for all you do to help our neighbors in Shoreline.

Your gifts can be processed through the St. Vincent de Paul donation envelope provided each month or online through the Saint Mark parish website. Non-perishable food can be donated any time by putting it in the basket near the poor box in the entry of the church.

If you are interested in knowing more about becoming a "Vincentian", contact Tom Martin at (206) 412-6438 or by email at tmartin457@aol.com.

What is Doxacon Seattle?

We're glad you asked! Doxacon Seattle is an annual fan convention devoted to the exploration of Christian themes in speculative fiction, gaming, pop culture, and of the impact of pop culture on our lives of faith. We gather in fellowship to share, discuss, and expand our experiences of how our faith interacts with the popular culture in which we live. We hope you'll join us and discover the joys of fellowship in shared geekery, games, and faith.

WHY DO CATHOLICS DO THAT?

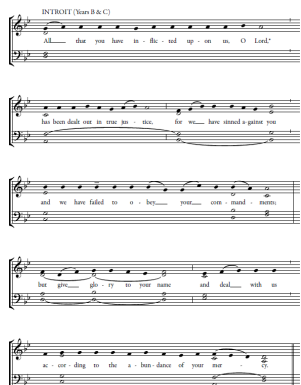

- Father Jacob Maurer

All that you have done to us, O Lord, you have done with true judgment, for we have sinned against you and not obeyed your commandments. But give glory to your name and deal with us according to the bounty of your mercy.

Cf. Dn 3: 31, 29, 30, 43, 42

You may have noticed that every week I include a scripture verse with this insert. This is the **entrance antiphon** for the Sunday Mass.

'Antiphon', comes from the Latin *antiphonas*, meaning 'responsive, sounding in answer'. If that sounds familiar, that's because we do this at every Mass in the Responsorial Psalm. Those who pray the Liturgy of the Hours - especially in community - will also recognize this pattern of call and response in prayer.

The praying of the psalms is something that is integral to the Mass. So integral, in fact, that the Church has spoken of the removal of antiphons as *cheating the people* of crucial parts of the Mass.

You'll have noticed that we are currently singing very limited portions of the antiphons - this is because Greg Teeter (our music director) and I decided to limit ourselves to what we currently have available - and the Saint Michael hymnal abbreviates the antiphons.

Happily, we will soon (November 27th) have a new pew missal - with the full text of the antiphons. Over the coming weeks, we will be offering exploring how we can more fully pray the Mass in the singing of the antiphons. In the meantime, I heartily recommend [this article \(and it's footnotes!\)](#) on [antiphony & the Mass](#).

This Tuesday, September 27, is **the memorial of Saint Vincent de Paul**. In modern times, his name is most commonly associated with the charitable organization that takes its name from him - of which we have [a conference here at Saint Mark parish](#).

Dedicated to the service of the poor, he eventually became the superior of Congregation of the Mission - known as 'Vincentians'. As we honor him today, may we likewise serve the poor in our midst.
