Unforgiveness is like an acid in our life. If you have a corrosive acid in a container that it is not meant for, ultimately that container will be destroyed by that acid. Unforgiveness can be that corrosive force in our life that destroys our own souls.” - Father K. Geraci

If you have not forgiven yourself or others for decisions about an abortion, join the women and men of Project Rachel to begin the journey of freedom and healing.

WHY DO CATHOLICS DO THAT?

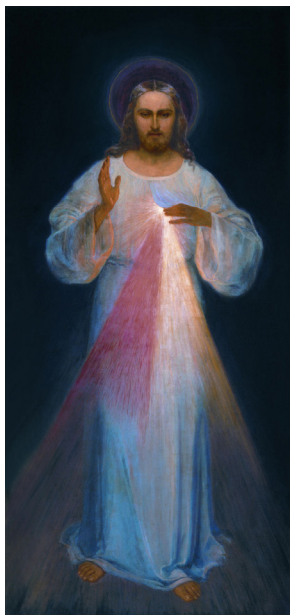

- Father Jacob Maurer

The Lord is the strength of his people, a saving refuge for the one he has anointed. Save your people, Lord, and bless your heritage, and govern them for ever.

Cf. Ps 28 (27): 8-9

Jesus tells the Apostles and us “**Fear no one.**” His counsel speaks to the heart of every Christian - after all, with God on our side, there is nothing that has power over us.

Yet isn't it the case that fear is a driving force behind so much of what we do? Fear of being rejected or alone, of missing out, of losing something we treasure or of having to bear a burden that we do not wish to carry - these and so many other fears can and do urge us to make decisions that we might otherwise reject.

Though we often *do* face struggles and sorrows in the world, the Lord invites us to place our hope & trust in Him. The key is to remember that the final victory is Christ's - and in our union with Him, that victory is ours as well.

Rather than being afraid to feel fearful (a dreadful spiral, that!), fear is an occasion to entrust ourselves anew to God. How freeing it is to realize that we are overly fearful of something, to renounce that fear, and to replace that fear with joy!

Though this is the work of a lifetime, it is work we can do every day. One prayer we might make, even daily, is the [*Litany of Humility*](#), praying that Jesus might deliver us from fear and help us to confidently trust in Him.

Throughout the month of July, Saint Mark parish is going to have Friday movie nights! With each night being themed differently,

we're hoping to have a wide variety of movies to enjoy together: family, action, classic, and anime. But we need your help choosing!

An online poll is live - **ending this Friday** - to find out which movies would be best. For each category, we have several movie proposals - each with a linked review for your consideration. You can also suggest your own movie ideas. Please visit the poll, consider the options, and vote - and then let us come enjoy movies together! [Click here for the poll.](#)

Saint Mark parish is happy to again host one of [Doxacon Seattle's](#) 'Doxaday' events. The Doxaday will be on Saturday, July 8th from noon to 5:00 pm, held in the school cafeteria. They will be having a geeky tie-dye craft event, with board games & a BBQ.

This will be a ticketed event - \$10 online or \$15 at the door - which covers the crafts & food. Visit [Doxacon Seattle](#) online for more information and ticketing details.
