FOR WHEN YOU PRAY: A CLEAR PATH TO A DEEPER RELATIONSHIP W/ GOD

Father Ross has challenged each of us to spend 20 minutes a day in prayer. You know that prayer is important but still find it challenging. Perhaps it's hard to find time, or you're unsure of what to do when you pray. Or maybe you feel discouraged by your inability to overcome the challenges. If you have any of these feelings, you are not alone. Many of the saints struggled in prayer. But each time they fell, they got up again and learned to rely more on God's grace. What God did in the lives of countless saints, he wants to do in the lives of ordinary people like us. And that's what this study is about: the journey of prayer God wants to take us on.

Join us for *When You Pray Study: A Clear Path to a Deeper Relationship with God*, beginning October 2nd, Wednesday, 7-8:30pm in the St. Matthew Community Center Conference Room, and on October 8th, Thursday 10-11:30am in the Parish Library. Sessions continue every Wednesday/Thursday for 7 weeks. For more information or to register for the study, please email Sara, Jolene or Maureen at sslane5@comcast.net, jnslynch@comcast.net, mnmsloane@gmail.com. You can also order your materials online at acensionpress.com/whenyoupray

4TH ANNUAL WORLD MISSION ROSARY

SATURDAY, OCTOBER 19, 2024 AT 11:00AM
ST. MATTHEW PARISH – 1240 NE 127TH AVE, SEATTLE, WA 98125

Please join us in the church to pray the World Mission Rosary in languages native to parishioners of our Parish Family. As a vibrant community that embodies Many Cultures but One Faith, let us come together to share our unique gifts and our love for God.

Would you be interested to recite one or more “Hail Mary” prayers in your native language?

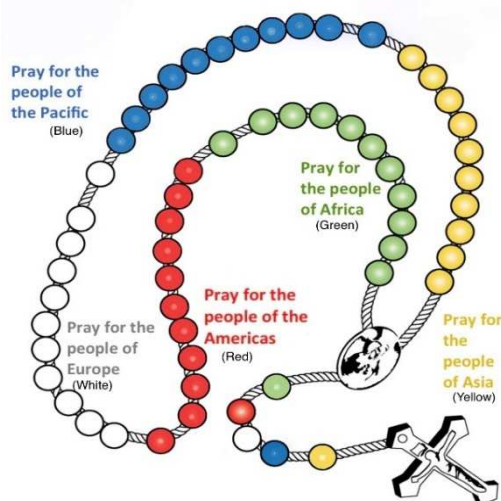

Following the prayer, join us for an International Potluck meal at the Community Center.

“Peace will come only when the hearts of the world have changed. To do this we must pray, and not only for ourselves, but for the world. The world means everyone... we cannot change without prayer, and the power of the Rosary as a prayer is beyond description.”

Archbishop Fulton J. Sheen

The World Mission Rosary was created by Archbishop Fulton J. Sheen in 1951. This rosary honors the work of the missions, conversions and world peace with special emphasis on each of the Earth’s regions, where prayers are needed. Its uniqueness is in the five colors represented in each of the decades which calls to mind an area where the Church continues her evangelizing mission.

Colors & Regions of the Mission Rosary

- Asia/Middle East: where the sun comes up and civilization began
- Oceania/Australia: for the ocean surrounding the Islands of the Pacific
- Europe: for the home of the Pope, clothed in white, shepherd of the world and his call for new evangelization
- The Americas (North & South America): for the fire of faith that brought missionaries to the Americas
- Africa: for its forests and grasslands

Archbishop Sheen said praying this Rosary, would *“aid the Holy Father and His Society for the Propagation of the Faith by supplying Him with practical support, as well as prayers, for the poor mission territories of the world. When the World Mission Rosary is completed, one has embraced all continents and all people in prayer. You have given the world a great big hug! What a great gift to give your brothers and sisters in the missions!”*

For more information or to participate in the World Mission Rosary, please contact **Prisca Bungiranto** through the **St. Matthew Parish Office** at **(206) 363-6767**

CATHOLIC CAMPAIGN FOR HUMAN DEVELOPMENT WORKING ON THE MARGINS

The Catholic Church teaches the fundamental importance of paying workers a living wage that allows them to meet their basic needs. Cooperative businesses are co-owned by the employees, which gives workers greater say in how the business is run, including the wages and salaries that workers earn. Those principles animate the work of the organizations creating opportunities and fighting poverty with support from the Catholic Campaign for Human Development (CCHD).

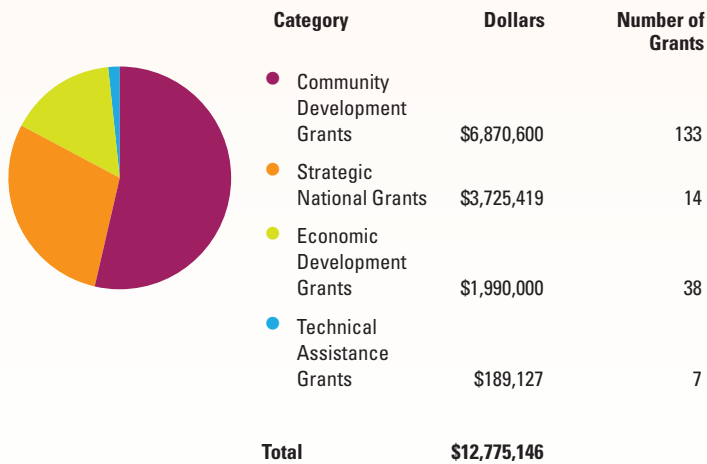

Seed Commons is a New York City-based national network of community loan funds that make cooperative businesses easier to start and less expensive than obtaining bank loans. Based on a “nonextractive” model, Seed Commons does not require borrowers to make payments on interest or principal until they can cover operating expenses, including market-rate salaries. With support from CCHD, Seed Commons helps workers become

cooperative owners who earn living wages at companies like a Chicago-based window manufacturer, which pays \$2/hour more than it did before it became a cooperative. The employee-owners now earn not only higher wages but profit-sharing checks as well.

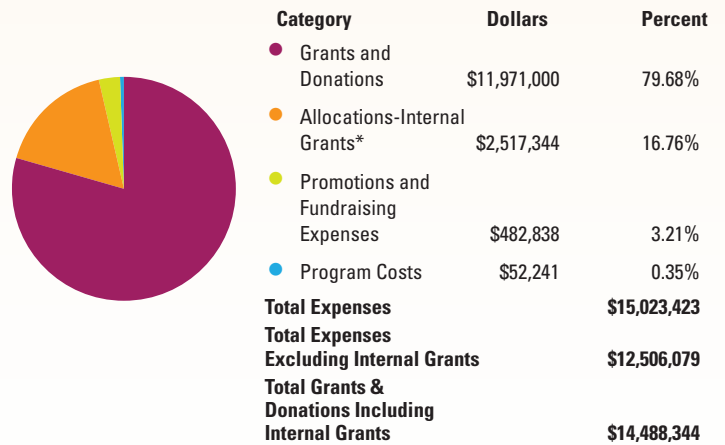

Your support of CCHD helps workers become worker-owners who earn living wages and establish economic roots in communities that badly need greater employment and earning opportunities. When you give to the CCHD collection, you help not only national networks like Seed Commons but also organizations working to end poverty within your diocese, where 25% of your contribution stays to create opportunities in your own neighborhood.

2022 EXPENSES
