### Spotlight: Praying Like a Faithful Citizen

The US Conference of Catholic Bishops (USCCB) publishes [Forming Consciences for Faithful Citizenship](#), which speaks to our political responsibilities as Catholics. Faithful voting must be grounded in prayer. To assist you in the discernment process before casting your vote, we spotlight tips for [praying like a faithful citizen](#).

As Catholics, we each must make our own determinations regarding our votes based on prayerful, thoughtful consideration of the issues in light of our faith's social doctrine. Catholics may disagree on policy decisions, but we hope the linked materials are helpful in your discernment process.
