Spotlight: Praying Like a Faithful Citizen

The US Conference of Catholic Bishops (USCCB) publishes [Forming Consciences for Faithful Citizenship](#), which speaks to our political responsibilities as Catholics. Faithful voting must be grounded in prayer. To assist you in the discernment process before casting your vote, we spotlight tips for [praying like a faithful citizen](#).

As Catholics, we each must make our own determinations regarding our votes based on prayerful, thoughtful consideration of the issues in light of our faith's social doctrine. Catholics may disagree on policy decisions, but we hope the linked materials are helpful in your discernment process.

PARISH STEWARDSHIP OF TREASURE.

Stewardship asks that we help each other recognize the gifts God has blessed us with and the ways in which we have been blessed through the gifts of others. And then return those gifts with increase to further the mission of our Church.

WE ARE
CALLED TO
SHARE OUR
TREASURE
WITH OTHERS.

Everything we have is a gift from God and we're called to share these gifts with others. Stewardship is our response to God's generosity.

Stewardship starts in our parish. It challenges us to share our gifts beyond what we may have done in the past so we can grow, individually and collectively, as God desires. As you renew your gift of treasure, please consider taking a step in this journey of faith.

Please prayerfully reflect on your many blessings and return your 2025 pledge card today. Embracing stewardship allows us to experience profound joy in serving others that comes from developing, using and sharing our gifts.
